## MESSAGE FROM THE HEADTEACHER

Dear Parents/Carers,

This week's weather has really tested us! Thankfully, our heating has worked superbly, and the school has been a lovely, warm temperature for children (and staff) to work in. Thank you to all of the parents/carers who managed to bring their child to school. We have done really well with our attendance so far and have almost reached our target of 97%! However, this week's attendance has been significantly lower. Please do try your best to keep bringing your child to school every day, despite the weather! We will do whatever we can to keep the school open. Thank you to Mr Evans, our site manager, for making sure there is a gritted pathway from the gates to the school. Fingers crossed for some better weather next week!

Unfortunately, we have had to cancel some class visits to the library. We will look at alternative dates over the next couple of weeks.

Next week, we are having our first parent meeting for children who have SEND. This is a chance for a catch up with our school SENDCos and to discuss any issues. Please do take the opportunity to come along for a drink and a chat.

Have a lovely weekend – keep warm!

Many thanks, Jon Stevens.

## Competition Time

Dear Headteacher,

I am writing to inform you about an exciting opportunity for your students to get involved in a local community initiative. The **Village in Bloom** team is organizing a competition to design a new logo for **Kingswinford in Bloom**, and we would love to invite your school to participate.

**Kingswinford in Bloom** is a community-led project focused on keeping our village looking beautiful and welcoming through planting and maintaining flowers and green spaces. As we continue to grow, we want to involve the young people in our village by giving them the chance to design a logo that will represent our project moving forward.

We believe this competition is a fantastic way for students to get creative, learn about the importance of community involvement, and showcase their artistic talents. The winning design will become the official logo of **Kingswinford in Bloom**, appearing on all our promotional materials, signage, and social media platforms. It's a great opportunity for the students to leave their mark on the village and contribute to a long-lasting community initiative.

### Key Details:

- **Eligibility:** Open to all students from local primary schools.
- **Design Requirements:** The logo should reflect the spirit of **Kingswinford in Bloom** and may include themes such as nature, flowers, community. It should be simple, recognizable, and appropriate for use in a variety of formats (e.g., print, digital).
- **Submission Deadline:** 30 November 2024.
- **Submission Format:** Designs can be submitted as a physical drawing or a digital file (JPEG, PNG, or PDF). Collection will be made directly from school end of November.
- **Prize:** The winner will have their design used as the official logo and receive a special certificate of recognition along with a prize.

We would be grateful if you could share this opportunity with your students and encourage them to take part in the competition. We believe it will inspire them to contribute to the community in a meaningful and fun way.

If you would like your child to take part, please send in to school by 30<sup>th</sup> November.
