MESSAGE FROM THE HEADTEACHER

Dear Parents/Carers,

This week, our Y6 children have been amazing! They have faced the SATs tests with determination and with a 'can do' attitude, and even children who were unwell came in and did their best! We couldn't ask for more. Well done everyone – I hope that your results reflect the effort that you have all made. Thank you to Mrs Rogers for organising the breakfast club for Y6 and to all of the staff who came and cooked toast and served children their breakfast. I'm sure they all enjoyed it – see photos below!

Unfortunately, we have seen a large number of children across school come down with a sickness and diarrhoea bug this week. We have emailed a letter to you with advice on what to do if your child is showing any signs or symptoms. Please do adhere to the 48-hour rule, as this will stop the spread of it. Thank you for your support.

Have a lovely weekend. Many thanks, Jon Stevens.

The theme for this year is **'Movement: Moving more for our mental health'**, encouraging everyone to focus on physical activity as a means to improve mental health and well-being. For more information, visit www.mentalhealth.org.uk

SICKNESS BUG

There is a sickness bug in school currently. Please ensure you keep your child at home for 48 hours if they have been sick. This will prevent it from spreading. Thank you for your cooperation.

CLASS 6B SWIMMING LESSONS

Next week, it is the turn of Class 6B to go swimming. Please can parents/carers make sure that children come with their swimming kits on Wednesday. As this is part of the national curriculum, it is compulsory for all children to attend. It is also a key life skill and also can be a life saver.
