

# Year 5 Homework

Week 7	18/10/19
To be completed by: Wednesday 30 <sup>th</sup> October 2019	

Spellings – learn the list for a test next Friday.

## Topic Homework (science)

We have been learning about the ways that different seeds can be spread. This weekend, go into your garden or for an Autumn walk and see if you can collect and draw some different seeds and fruit.

Classify them as to how they are spread – is it by wind, animals and birds or something else?

**Challenge – why is it so important for plants to spread their seeds widely?**

**Why not just drop them?**

## Spelling list 7
