

Year 6 Homework

Week 7

18/10/19

To be completed by: Wednesday 23rd
October 2019

Spellings – learn the list for a test next Friday.

Topic Homework (science)

We have been learning about the ways that different seeds can be spread. This weekend, go into your garden or for an Autumn walk and see if you can collect and draw some different seeds and fruit. Classify them as to how they are spread – is it by wind, animals and birds or something else?

Challenge – why is it so important for plants to spread their seeds widely? Why not just drop them?

Book Recommendation

The Silver Sword by Ian Serraillier. A children's classic charting the journey of some homeless children across war torn Europe in the hope of re-uniting with their parents.

Maths

Please complete the following;

F p 36&37 S p 30&31 A p 23

Spelling list 7

1. Pitch
2. Water
3. Observe
4. Evolution
5. Filtering
6. Nutrients
7. Adaptation
