Message from the Headteacher

Dear Parents/Carers,

Welcome back! I hope you all enjoyed a relaxing summer break. It is lovely to see the children return to school with a smile, eager to get to their new classes! They all look very smart in their school uniform and new footwear. Please can you make sure that your child's name is in every item of clothing, including their footwear, to ensure that any lost items will find their way back to their owner. Thank you.

The dates for this term are below and on the school website. If there are any changes, I will inform you via the texting service. Please can you ensure that the school office has your latest contact details, so that messages will get to you.

With another exciting but busy year ahead, I look forward to seeing the children blossom.

Many thanks, Jon Stevens.

Bromley Hills is a Good school. Ofsted report 2019.

Important Information

Dates for your diary

All dates for the Autumn term are below.

They are also on the school website.

Reminder ~ Price Increases

Due to increased running costs across school, Governors have reviewed and updated the prices of the following, starting in September:

- School Lunches - £2.30
- Afterschool Club - £6.00
- Breakfast Club - £3.50
- Pre-School – £6.00 (for the afternoon, plus £3.50 for over lunchtime)

Parent Governor Election

A reminder that if you would like to put your name forward for parent governor, please send in the nomination form to the school office by the end of this week. Thank you.

Online Payment System

A reminder that all lunches are to be booked via the online ordering service. Please can you make sure that your child has a lunch booked for them if they are expecting one. An information guide is on our school website for support.

New safety flooring for the children

As you will have seen, we have installed a rubberised surface for the trim trail and the tyre park play area, in the middle playground. This replaces the grass and means that children will be able to play on the equipment all year round (although weather conditions such as ice will prevent children using these items at certain times). This really is a great improvement and the children have already made very good use of it! Money raised over the past few years have been used to pay for this. We hope you will agree that it is money well spent!

Bromley Bees

Unfortunately, due to falling numbers, Bromley Bees will not run this year.

Swimming

Class 3/4B will start swimming next week, on Tuesday 10th.
