MESSAGE FROM THE HEADTEACHER

Dear Parents/Carers,

This week, we held our first parents' evening of the year. I hope you were able to come and meet your child's class teacher and find out how they have settled into their new class and year group.

Next week, we are having our Harvest assemblies. Please check the date and time of your child's assembly and send in donations on the day of their assembly. All donations will be taken to the Black Country Foodbank. There is a list below for items that they are collecting.

Don't forget that next week, we are having a mufti day on Friday in readiness for our Autumn fayre. Please do support, as all money will go towards resources for children to use in school.

As always, if you have any questions, please get in touch either by phone or email. If it is urgent, please do pop in and speak to us.

Have a lovely weekend.

Many thanks,

Jon Stevens.

SEND SURVEY

The Dudley Parent Carer Forum has launched their annual survey looking at SEND (Special Educational Needs or Disabilities) services within the Dudley area.

The survey is suitable for parent carers living in Dudley who have a child/young person with SEND between the ages of 0-25.

The survey takes around 10-15 minutes to complete and aims to capture the true feelings of parent carers in the borough. The results are independently evaluated by the parent carer forum.

The closing date for Reception 2026 applications is approaching. Therefore, if you have a child born between 01/9/2021 – 31/8/2022, an application form for Reception September 2026 needs to be completed by **15th January 2026**. Parents can make their application via the following link: www.dudley.gov.uk/residents/learning-and-school/school-information/school-admissions/primary-reception-intake/

Starting primary school in September 2027

Why not apply for a place online?

If your child was born between 1 September 2022 and 31 August 2023 they will be due to start primary school in September 2027.

You **MUST** complete an application form either online at www.dudley.gov.uk/admissions or by completing an application form from your home local authority by **15 JANUARY 2027**. You can include five school preferences on the application; there is nothing to gain by only putting one preference.

Applications will be available from **1 October 2026**.

Benefits of applying online

- E-mail decision received by 2pm on day of offer
- It's quick and easy to use
- You can apply 24 hours a day, 7 days a week
- There's no risk that your application will be lost in the post
- You will get email confirmation that your application has been received
- It's safe and secure

The online system will be available 24 hours a day, 7 days a week from 1 October 2026 until the closing date for applications on **15 January 2027**.

Please note: Even if your child already attends a school nursery or has an older sibling at school, do not assume that your child will automatically gain a place at that school. This is a common misconception and often the biggest cause of disappointment for parents who believe otherwise.

Starting secondary school in September 2027

Why not apply for a place online?

If your child is due to start secondary school in 2027 then you will have to apply for a school place before 31 October 2026.

You **MUST** complete an application form either online at www.dudley.gov.uk/admissions or by completing the application form provided by your home local authority. You can include six school preferences on the application form; there is nothing to gain by only putting one preference.

Benefits of applying online

- E-mail decision received by 2pm on day of offer
- It's quick and easy to use
- You can apply 24 hours a day, 7 days a week

- It's safe and secure

The online system will be available 24 hours a day, 7 days a week from 1 September 2026 until the closing date for applications on **31 October 2026**.

You should not assume that your child will get a place at a secondary school without you having to apply, even if you have an older child already attending the same school. This is a common misconception and often the biggest cause of disappointment for parents who believe otherwise.
