Message from the Headteacher

Dear Parents/Carers,

This term, children have been working hard and getting used to being back at school.

However, staff have noticed how tired they are getting, during the day and as the week progresses. It is not surprising that they are still getting used to being back in school.

Therefore, please can you make sure that your child goes to bed at an appropriate time, so that they are refreshed the next day. Children will find it easier to learn when they have had a good night's rest. Children who don't have a good sleep often feel anxious, lethargic and irritable. Please do watch out for these signs!

As always, if you have a question, please do get in touch.

Many thanks,

Jon Stevens.

After School Clubs

Classes for Next Year

Thank you to those parents/carers who have already emailed in your child's friendship group ready for next year.

If you have not done so already, please either email or send into the school office a list of 3 names that your child would like to have in their class next year. We will endeavour to put as many as we can together, but it may not be possible to have all 3. However, it will be at least one of them. Thank you.

Stranger Warning

We have been notified by some parents that there have been a couple of cases where a man has approached a parent, who was pushing their child in a pushchair, and tried to take the child out without the permission of the parent.

Another case was where a man approached a parent and again tried to take the child off them.

Please be extra vigilant and remind your child about not talking to strangers on the way to and from school.

Thank you.
