

Writing	Repeat key concepts in many different practical ways to secure retention.	Compare and contrast a small area of the United Kingdom with that of a non-European country.
Narrative	Explore numbers and place value up to at least 100.	Explore weather and climate in the United Kingdom and around the world.
Write stories set in places pupils have been.	Add and subtract using mental and formal written methods in practical contexts.	Use world maps, atlases and globes.
Write stories with imaginary settings.	Explore the properties of shapes.	
Write stories and plays that use the language of fairy tales and traditional tales.		
Non-fiction	Science	History
Write labels.	Physics	The lives of significant individuals in Britain's past who have contributed to our nation's achievements – scientists such as Isaac Newton or Michael Faraday, reformers such as Elizabeth Fry or William Wilberforce, medical pioneers such as William Harvey or Florence Nightingale, or creative geniuses such as Isambard Kingdom Brunel or Christina Rossetti.
Write lists.	Earth and space	Key events in the past that are significant nationally and globally, particularly those that coincide with festivals or other events that are commemorated throughout the year.
Write instructions.	Observe seasonal changes.	Significant historical events, people and places in their own locality.
Write recounts.	Art & Design	Music
Present information.	Use experiences and ideas as the inspiration for artwork.	Use their voices expressively by singing songs and speaking chants and rhymes.
Write non-chronological reports.	Share ideas using drawing, painting and sculpture.	Play tuned and untuned instruments musically.
Poetry	Explore a variety of techniques.	Listen with concentration and understanding to a range of high-quality live and recorded music.
Write poems that use pattern, rhyme and description.	Learn about the work of a range of artists, artisans and designers.	Make and combine sounds using the inter-related dimensions of music.
Reading	Computing	Physical Education
Listen to traditional tales.	Organise, store, manipulate and retrieve data in a range of digital formats.	Participate in team games, developing simple tactics for attacking and defending.
Listen to a range of texts.	Communicate safely and respectfully online, keeping personal information private and recognise common uses of information technology beyond school.	Perform dances using simple movement patterns.
Learn some poems by heart.	Design & Technology	Religious Education
Become familiar with a wide range of texts of different lengths.	Design	Study the main stories of Christianity.
Discuss books.	Design purposeful, functional, appealing products for themselves and other users based on design criteria.	Study at least one other religion. Choose from Buddhism, Hinduism, Islam, Judaism or Sikhism.
Build up a repertoire of poems to recite.	Make	Study other religions of interest to pupils.
Use the class and school libraries.	Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics.	Additional Content
Listen to short novels over time.	Evaluate	
Communication	Explore and evaluate a range of existing products.	
Engage in meaningful discussions in all areas of the curriculum.	Cooking and nutrition	
Listen to and learn a wide range of subject specific vocabulary.	Use the basic principles of a healthy and varied diet to prepare dishes.	
Through reading identify vocabulary that enriches and enlivens stories.	Geography	
Speak to small and larger audiences at frequent intervals.	Investigate the world's continents and oceans.	
Practise and rehearse sentences and stories, gaining feedback on the overall effect and the use of standard English.		
Mathematics		
Count and calculate in a range of practical contexts.		
Use and apply mathematics in everyday activities and across the curriculum.
