## MESSAGE FROM THE HEADTEACHER

Dear Parents/Carers,

This week, the weather has changed again - Two days of sunshine and then back to rain today! Please make sure that your child brings a coat to school, as we will endeavour to take children outside at playtimes as much as possible so that they can run off their energy. Children who don't have a coat will stay in during playtimes if the weather is a little wet.

As you know, the old communication system (Teachers to Parents/Eduspot) has stopped and has been replaced by our new parent app, My Child At School (MCAS). Therefore, instead of a text you will receive an 'Announcement' on your child's dashboard, and instead of an email you will receive either an 'Announcement' with an attachment or there will be a document placed in the 'Important Document' section of the dashboard. This newsletter will be sent out via 'Important Document' on MCAS. This ensures that all communication is in one place, and I hope that this will improve communication between home and school. If you experience any problems with downloading the app, please let the school office know. All payments will also be made via MCAS.

Have a lovely weekend,

Many thanks,

Jon Stevens.
