MESSAGE FROM THE HEADTEACHER

Dear Parents/Carers,

This week, we have been celebrating harvest. Well done to the children who presented wonderful assemblies for parents/carers - they all did a fantastic job! Thank you for all the generous donations brought in this week.

I am arranging for the School Council to take the donations to the Black Country Foodbank headquarters, where they will also have a tour of the facilities. If you would like to continue sending in food donations, we will continue to receive items next week.

Congratulations to the KS1 children who have received their Headteacher's Certificate today during our first Praise assembly of the year. It was lovely to hear from teachers about the reasons why each child was chosen to receive a certificate. Next week, we will hold the Year 3 and Year 4 Praise Assembly.

As always, if you have any questions, please get in touch either by phone or email. If it is urgent, please do pop in and speak to us.

Have a lovely weekend.

Many thanks,

Jon Stevens.

Starting secondary school in September 2027

Why not apply for a place online?

If your child is due to start secondary school in 2027 then you will have to apply for a school place before 31 October 2026.

You **MUST** complete an application form either online at www.dudley.gov.uk/admissions or by completing the application form provided by your home local authority. You can include six school preferences on the application form; there is nothing to gain by only putting one preference.

Benefits of applying online

- E-mail decision received by 2pm on day of offer
- It's quick and easy to use
- You can apply 24 hours a day, 7 days a week
- There's no risk that your application will be lost in the post
- You will get email confirmation that your application has been received
- It's safe and secure

The online system will be available 24 hours a day, 7 days a week from 1 September 2026 until the closing date for applications on **31 October 2026**.

You should not assume that your child will get a place at a secondary school without you having to apply, even if you have an older child already attending the same school. This is a common misconception and often the biggest cause of disappointment for parents who believe otherwise.
