MESSAGE FROM THE HEADTEACHER

Dear Parents/Carers,

First of all, I would like to congratulate all of our children in Pre-School, who have started really well and enthusiastically. It is lovely to see their smiling faces as they come into Pre-School. I hope they enjoy their year, learning about new and exciting things!

Below, you will see an explanation of our behaviour policy. We hope that this explains how our rewards and sanctions operate. If you still have any questions, please do ask your child's class teacher. Our full behaviour policy can be found on our school website.

This week, we practised our fire alarm drill. All of the children were really sensible and did exactly what they were asked to do. Well done to everyone for doing the right thing.

School Council News – Voting has taken place and the votes have been counted! Well done to everyone who took part. It is a shame that we can't have everyone! Well done to those children who were successful - we look forward to an exciting year ahead.

Have a lovely weekend.

Many thanks, Jon Stevens.

BROMLEY HILLS BEHAVIOUR SCHEME

Our Behaviour Policy at Bromley Hills is built around our school values. All children are reminded of our school values at the beginning of the term and it is when pupils do not adhere to these values that the sanctions are used.

We use an online system called **Track It Lights**. This is a system that focusses on the positive behaviours children display. Children are given house points for attendance, joining in, great effort, being helpful, ignoring the behaviour of others etc. Should behaviour become inappropriate or disturb the work of themselves or others, then children are given a warning. Should this continue, then their name changes to become orange, then a further warning changes it to yellow. This is a clear visual display to anyone who takes over the class or who visits the classroom, that a warning is in place.

On the rare occasion when behaviour does not change, then their name is changed to red and a series of sanctions are worked through:

- 5 minutes time out in class
- Miss 5 minutes play time
- Sent to a Leader to discuss behaviour
- Sent to the Deputy or Head Teacher

Should any child repeatedly be gaining red cards and reaching the 3rd and 4th stage of these sanctions, then the parents/carers will be asked to come into school so that we can put agreed targets and an individual behaviour plan into place.

We are pleased to report that very few children reach the final stage of these sanctions, and we hope to keep it that way!

There are targets for children to work towards that will earn them Track It awards, including a certificate.

Bronze Award	100 Points
Silver Award	200 Points
Gold Award	300 Points
Platinum Award	400 Points
Diamond Award	500 Points
