MESSAGE FROM THE HEADTEACHER

Dear Parents/Carers,

This week, we celebrated World Book Day whereby children came to school dressed in either their pyjamas or in their comfy reading clothes - it was lovely seeing everyone taking part. During the day, children swapped classes and read to each other - Year 6 were particularly wonderful with children in Reception! It is lovely to raise the profile of reading, particularly reading for pleasure, which enables children to delve into different worlds, with different characters, and develop their imagination. I have reminded children that they are now members of the local library, which they can access at weekends, and borrow books. This is a great resource on their doorstep!

As you know, we had an Ofsted inspection in January. The report is now published on Ofsted's website, and a copy has been emailed to you. I am very proud that the HMI stated that 'Bromley Hills Primary School has taken effective action to maintain the standards identified at the previous inspection.' This means that we continue to be a 'good' school. I would like to thank all of the staff who have, and continue to, work hard to maintain the 'good' standard of education provided here at Bromley Hills. Please do take the time to read the report, as it praises many areas.

Have a lovely weekend. Many thanks,

Jon Stevens.
